Blessed Selves, dear Spiritual Seekers, Brothers and Sisters,  
All dear ones from the different schools and paths of yoga,  
spirituality, health, environment and well-being of our Mother Earth,

As far as I know, this is the first time that such a beautiful and historical  
Yoga Expo is taking place in Varaždin where you all meet together.

It is high time to work together with love, harmony and understanding  
which strengthen the unity of all schools and thoughts.

We should respect each other and see each other as brothers and  
sisters.

At the same time I am extending my appreciation to all the helpers,  
sponsors and the media who wholeheartedly supported this project.

On behalf of the International Union of Yoga in Daily Life and Sri Swami  
Madhavananda World Peace Council, I wish you all the best, great  
success and divine blessings, and remain

Yours,

*Vishwaguru Mahamandaleshwar Paramhans Swami Maheshwarananda*
