GURUPURNIMA MESSAGE 2014

Blessed Selves, dear Bhaktas of Sri Mahaprabhuji, Sri Devpuriji and Holy Guruji,

On the holy occasion of Gurupurnima I convey to you the Blessings of the OM Sri Alakhpuriji Siddha Peeth Parampara.

Gurupurnima is the day of Enlightenment - it is the day when the first ray of the Sun touched the Earth and Life began to develop. On Gurupurnima we seek Darshan of our Gurudev. We offer him the fruits of our sadhana and pray for his blessing for the next spiritual year.

Today, on this auspicious constellation of Gurupurnima, we shall take a strong Shankalpa (decision) that we will follow the spiritual path and do our sadhana lifelong, without interruption and in full confidence to Gurudeva and come into the next life as self-realised saints to serve humanity and turn the Kali Yuga into Satya Yuga again!

I pray to Sri Alakhpuriji, Sri Devpuriji, Sri Mahaprabhuji and Holy Guruji for your good health, long life, divine light, spiritual development and realisation.

You are all in my heart, thoughts and prayers.

Dear devotees, brothers and sisters, I bless you in the name of Gurupurnima,

Yours,

Swamiji
